**SURF LIFESAVING CLUB
ANNUAL REPORT**

Office Holders 2015 - 2016

Patron	Mark Mitchell
Vice Patrons	Alan Franich, Colleen Chapman
Hon Solicitors	Tony Edward of Hunt, Edward Kennelly
Hon Medical Advisors	Dr Te Harr, Dr M Johnston
President	Wayne Franich
Chairman	John Chapman
Secretary	Shane Burke
Director of Finance	Mark McCarthy
Chair of Life Saving Committee	Mark Fergus
Chair of Surf Sports Committee	Benny Larsen
Chair of Junior Surf Committee	Karyn Phillips
Chair of Building Committee	Zane Taylor
Chair of Funding Committee	Andrea May
Public Relations	Amanda Wignell

President's Report

Winter is here and the off- season is almost half way through. Surprisingly we all look forward to the next season, no matter how much you may be over the last. This is the nature of our movement, forever striving for excellence in Life Saving, Sport and Education, or whatever area you may be involved in, we just keep coming back for more. This is the essence of a true clubbie.

None more so, than our own Peter Young. Sadly, we lost him this year but his example of continually fronting, to being involved and contributing in some way is just one of his legacies. With his friendly, unselfish manner, he inspired many, his memory will live with us long into the future. A true clubbie.

With a loss we learn and come together in spirit and in cause, none more so evident that the spirit that was displayed by our members at this season's Nationals at Ohope. With a steady building of club spirit throughout the year, a more cohesive club competed well at local, regional and national carnivals. The highlight for me was the winning of the Owen Chapman Cup. We have never done this before, so a true milestone was laid. I am so glad that Hori was there to share with us this win. When all was said and done, a quiet red wine from out of that cup, was enjoyed by him.

A growing club's health is assured so long as quality in its membership is spread. We are fortunate to have a wide range of age groups across our patrolling base, with not just the young gaining their Surf Awards but many parents are following their children into our Life Guard ranks. Strength in age and wisdom is well and truly dispersed amongst our youth. Thus a balance is slowly realised as the pressure to patrol efficiently and effectively is ramping up year by year. The coverage of our coastline will no doubt continue to be in demand with the growing population of our own local community and that of greater Auckland. Thus we are well placed and ready.

Our members continue to contribute, not only to our club, but at Regional and National Levels in both Life Guarding and Sport. Our Instructors, Examiners and Surf Officials are some of the best in the country. The quality of the training our guards receive is second to none. This is often overlooked and not highlighted but is an example of the career pathway options our members can follow. Our club and its members directly benefit from this.

As with quality members we need loyal sponsors and we are fortunate in this area. Without financial support we would struggle to exist so it is essential that this support is maintained. We have a small number of members responsible for maintaining relationships with our sponsor group and this season has seen some growth. It is hard work indeed, but appreciated by us all.

Our Board and various Committees have solidified and are now in a common meeting and reporting mode. With responsibility being shared amongst the committees the Board is slowly being freed to govern and strategize towards the future. Our new building project, which at this point, has almost gained Resource Consent, will be the biggest undertaking in the club's recent history. This will be the time when we will need everyone's commitment to help raise the funds needed to see this project come to fruition.

With that, I would like to thank:

Our sponsors for their continued and loyal support, no matter how big or small.

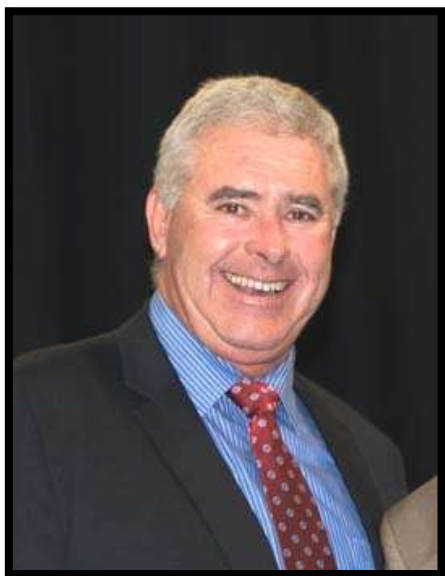

Surf Life Saving NZ and Surf Life Saving NR for their support and governance.

Auckland Council and our Local Board, for their continued support and working relationships.

Our members and supporters, young and old, thank you for another great year.

Wayne Franich
President

Chairman's Report

The years roll by and as you may know, this is my last annual report to you as Chairman. It is time for me to step aside and let a new and younger face lead you all into the next phase of the club's history.

I have been honoured and humbled to have been your Chairman for nearly 10 years.

You have a fantastic group of dedicated volunteers leading the club on your behalf.

I'd like to thank all those that I've worked with during my tenure for your dedication and support of a club that has real heart and soul and makes a huge positive impact in our community.

I can't thank people by name for fear of missing someone out, but I want to make an exception for Heather Hilder our Administrator. She is the glue that holds the club together and while she is paid, she does so much over and above what her job description says. Thank you Heather.

The year has had highs and lows – as they all do. This year though, the highs were higher and the lows lower than usual.

The passing of our Kaumatua Peter (Hori) Young – a stalwart of the club for so many years - to illness was a sad time. The mana in which he was held the club was epitomised by how members of all ages came together to mourn and celebrate a great man and a staunch mate.

The year's highest high for me was us winning the Owen Chapman Cup for the first time in 60 years of trying. I've been trying to crack that job for 40 years – well done to everyone involved and let's repeat the job next year!

Thank you to all our sponsors and donors. Without the generous support of a huge number of businesses and individuals, we would not be able to exist. I thank you all on behalf of all members for your support to our club.

We also enjoy strong support from our local Member of Parliament (and Patron) Mark Mitchell and Julia Parfitt and the Hibiscus Bays Local Board of Auckland Council. Both Julia and Mark go out of their way to help the club whenever called on and it is appreciated.

Our first priority is to deliver a professional life saving service to beach users. Our lifesaving team continues to raise the bar in the standards they expect and I believe that our lifeguards are among the best in the country. We have a strong core of highly qualified and experienced lifeguards and instructors who remain unsung heroes in the community.

I was privileged to be involved in a rescue at Wenderholm that saw us win a Rescue of the month Award. The maturity of the young lifeguards involved was heartening and a testament to all the hours of training that goes into us each pulling on the red and yellow uniform each summer weekend.

Specific and individual achievements are reported elsewhere in the Annual report so I will not dwell on those here. However, I would like to mention the following highlights:

On the Sport front, a new coach was appointed this year. Zac has been ably supported by our senior athletes and a strong culture is developing within our sport team which we look to build on. Interestingly, most of the lifeguards recognised at our club awards night through the Orewa New World Scholarship scheme were also our top sport athletes.

Karyn Phillips is stepping down as Junior Chair and I thank her for her efforts over a number of years in the Juniors.

A highlight of the year was our Club Day which I think was the best we have held in a long time. Thanks to everyone for making it a great day – especially the officials.

Our Awards Dinner celebrated the achievements of our members. Again congratulations to all the award winners and special mention to those who were granted awards for their long service:

Distinguished Service Award

Mark (Doc) Johnston

Service Awards:

Steve (Lefty) Franich

The Northern Region Awards of Excellence will have been held by the time you read this. Congratulations and good luck to all our finalists.

Recipients of Honours Awards have already been announced. Congratulations to the following:

Service Award:

Warwick Sisson

Shane Burke

Distinguished Service Award:

Dave Shanks

Tom Burgess

Life Membership:

John Chapman

A just reward for the efforts these members have given at a higher level over the years.

In closing, here is to another great year in 2016/17.

*John Chapman
Chairman*

Owen Chapman Cup

Life Saving Report

This year marks another successful year on Orewa Beach with no drownings or serious injuries, a number of successful rescues and a high number of first aid's and preventions.

This year has also marked an increase in the number of event guarding opportunities off our beach. Tom Burgess has done an amazing job of coordinating a high number of events and the lifeguards who attend them. This year we have increased the professionalism and reputation of Orewa Surf Club, with the added benefit of raising much-needed funds for the club. I urge anyone who is considering taking part in these interesting and dynamic events to contact Tom Burgess or to join the Orewa Surf Event Guarding Facebook page where you will be kept in touch with upcoming events and opportunities.

This was also the year of the inaugural Patrol Hours Recognition scheme. This very successful programme rewarded those who had completed a high number of patrol hours. This year the top 15% of patrollers were awarded a small scholarship to be credited towards future developmental courses and other club costs. Orewa New World kindly sponsored the scholarship fund and we look forward to working with them in the future to reward those who put in extra effort.

The Instructors team this year have worked overtime to see an extraordinary number of new guards obtain their Surf Lifeguarding Award. Instructing is a rewarding way to give back to the club and to ensure the future of our patrol member base. Instructing also increases your own skills and exposes you to opportunities within the greater Northern Region lifesaving family.

Patrolling is not possible without the dedicated efforts of the Patrol Captains. At the conclusion of last season, we got together with the PC's and debriefed the opportunities for the coming year. This year the Lifesaving Committee implemented those recommendations, some of the things you may have seen included smaller patrols which allowed greater involvement of individual members, and fewer patrols.

One of the other ideas we received was that it was difficult to provide guards to patrol at Wenderholm on New Year's Day and Boxing Day. This year we obtained funding to pay a small number of guards to patrol during this key period which allowed the remaining members to enjoy the Christmas break.

Also the season saw the birth of the inaugural Grey Patrol. The Grey Patrol is designed to bring in members that have been out of patrolling for a number of years and are keen to return to patrolling. It also is targeted at members who are actively involved in the management of the club but would still like to contribute a small number of patrols. The Grey Patrol was very busy and well supported and will continue for next season.

I wish to thank the members of the Lifesaving Committee for the massive hours that they have put into it, the passion that they have shown towards improving our professionalism and skills. I encourage any members who wish to become involved to simply ask. Every little bit counts.

Mark Fergus
Chair of Life Saving

Senior Surf Sports Report

This past year has seen some great sporting results across all the sporting divisions, being swimming / pool, beach, board / ski, canoe and boats in individual and team events. I would like to thank the Surf Sports Committee, the athletes, Surf Officials and supporters for the time and effort put in to run the sports program. Also on behalf of the Sports Division, I would like to thank all our sponsors and those who have donated time, resources and financial contributions to the sports team. Without these contributions our sports program would not be able to be completed.

We did suffer a serious loss this season, with the passing of Peter Young, aka Hori. Hori provided over 40 years of coaching, surf training, personal training and mentorship to athletes and competitors across a range of codes. Surf was a large passion of Hori's and many of us have benefited from his guidance and leadership. In the more recent years you would see him on the beach or grassed area coaching our beaches or land crabs (beach sprints and flags). You will be missed.

This has been a season of growth. It started with Zac Franich undertaking his first year as our Head Coach, secondly the U14 section received a large influx of competitors transferring through from a successful Junior division and thirdly the retention of existing senior club competitors. Our Master division remained stagnant in numbers throughout the season, but still provided a force to be reckoned with.

This year a number of new initiatives were introduced with the primary goals of developing a team culture including training camps, lifting the general fitness of competitors through cross fit training sessions, developing a senior leadership group to help manage and guide the younger competitors. The feedback has been positive and we can only see growth in the future.

To ensure that our competitors compete to the best of their abilities, Sarah Thomas has been engaged to develop a swim training squad out of the Leisure Centre. The results from this swim squad was starting to show through, with the hope this season will see more results.

Zac, together with his senior squad, have continued to develop the board and ski disciplines. The results may not quite have shown themselves at the right time during the season; however, the base has been developed for the coming season. The boat division saw eight regular competing crews this season, which is one of the largest in NZ. During the two Regional Champs and the National Champs, these teams accumulated 24 medals, which 8 were 1st placings and 2 of these were gained at the NZ Champs. The Titans won the Open Men's Short Course and Orewa Stars won the U23 Womens Long Course. In addition, the Baby Blues won the NZ Boat Series U19 Womens title. Overall Orewa was placed the second best Boat Club in New Zealand for 2015/2016, only a few points behind the leading Club.

This year saw another season where a large number of Orewa athletes were selected in Regional Teams, New Zealand Youth Development Squads and the New Zealand Youth Black Fins squad. In addition, Tom Onley was selected for the Great Britain team to attend the Sanyo Cup in Tokyo. All of our athletes performed to an amazing standard which made the Club proud. For the coming season, Zac has been appointed as the Coach for the Northern Regional Trans Tasman Team. This demonstrates that our competing team is being recognised by their abilities and the backing of the training program.

The Club had five athletes attend the Aussie Nationals, being Stefan Powney, Cole Drinnan, Grace Kaihau, Lucy Makaea and Levi Ata. Grace made the Grand Final in each of her seven disciplines with Stefan and Lucy each progressing through to a Grand Final each.

At the recent Northern Region Awards Evening, Orewa won three senior sports awards with Lucy Makaea winning the U16 Sportswoman, Grace Kaihau winning the U19 Sportswoman and the Masters being awarded the Masters Team of the season. The season finished off with a combined Club Day incorporating senior and junior club member, with parents trialing the boats and canoes. From this we have at least 1 other master's women canoe crew preparing for the coming season.

*Benny Larsen
Chair of Surf Sports*

Junior Surf Report

The 2015/2016 season saw the introduction of an induction day, off beach, on the first day of training to enable better communication with our membership. This was incredibly successful and will become a very good way to positively induct members into the Orewa club culture.

The juniors had a great year in the sports arena thanks to some long standing and, dedicated coaches, managers and committee members, and gutsy athletic performances. Our success can be summarized as follows:

1st – Cath and Eddie Millar cup.

- 1st Harry Wenman (under 14 boys) won the twilight series for the season
- 1st Sakura Gardiner (under 14 boys) won the twilight series for the season
- 2nd - Northern Region Junior Champs
- Northern Region Pool Champs
 - 2nd out of 16 clubs (juniors, seniors and masters)
 - 1st out of Northern Region Clubs (Cosgrove Trophy) juniors, seniors and masters
 - 1st out of 9 clubs (juniors only),
- 10th out of 35 clubs – New Zealand Pool Champs
- 14th out of 29 clubs - Oceans `16 National Championships
- Sakura Gardiner finalist in the Under 14 sportswoman of the year award at the Northern Region Awards of Excellence.

On the beach we have strengthened our focus of building core safety skills within our membership, with a larger than average number of athletes gaining their 200m patch.

The Junior Camp continues to be an important part of the Junior calendar. This season it was held the week of the carnival which saw a drop in numbers and general buzz around camp. The upcoming season will see it shift back to a week before the carnival when many parents have time off.

Based on last year's feedback we have developed a more robust communication channel with our managers focusing on their own groups and utilising facebook more often which has been a great success.

We have a huge number of officials assisting in junior carnivals which has been a pleasure to see on the beach, with plans to have even more complete the officials training programme by the end of next season.

We have identified our next key area of development in Junior surf, that being the support and training of new coaches and managers to be able to carry the club forward.

The Junior committee has continued its successful fundraising activities delivering again the Season Welcome beach party, Main fundraiser (Hori Housie), weekly BBQ, the catering for the Northern Regional Junior Age group Champs, and bar coordination for the Senior prize giving. And continue to look for new and innovative ways to support and fund our growing membership and increasing role within the community.

We look forward to a rebuilt committee and fresh ideas and way forward in 2016-2017 season.

Karyn Phillips
Chair of Junior Surf

Farewell Hori

It was with a great deal of sadness this year that we farewelled our Kaumatua and Life Member Peter Young (Hori) after a battle with cancer.

Hori was a big part of our club for nearly 50 years. He almost singlehandedly ran the club in the late 1960s and early 1970s.

He positively influenced generations of life guards and was a great role model for our members and held in the highest regard by all who knew him.

He was Mr Land Crab as long time Coach of our beach competing squad and we enjoyed great success in that area thanks to him.

He was widely known throughout the surf lifesaving movement across New Zealand and was truly "in it for life".

A great guy and a great Clubbie he will be fondly remembered for a long time.

On patrol Hori.

Surf Life Saving NZ Life Membership

Congratulations to our President, Wayne Franich, who was awarded Life Membership of Surf Life Saving New Zealand at the 2015 Annual General Meeting in late 2015.

Wayne has been fully immersed in surf lifesaving at all levels for over 40 continuous years.

He joined Orewa as a 14 year old and has risen through the ranks to be a senior leader at club, regional, national and international levels. In his early years he was a successful athlete in Surf Boats and Canoes and won 2 national titles.

He followed his children into Junior Surf and became a coach, manager and surf official. He then moved into the senior club and assumed senior management roles at club level. He has been on our Board for a number of years and held roles as Chairman and President continuously for nearly 15 years (and counting).

At regional level he has been a member of operational committees and a major force in Surf Sports for many years. He was on the Board of Directors of Northern Region for 5 years retiring this year because of his other commitments. He has become one of the senior surf officials in the country. Originally running the Boat Arena, he is now the Event Referee for the National Championships and other national sport events. Surf Boat racing has enjoyed a significant renaissance under his guidance.

In 2015 Wayne was appointed to the International Lifesaving Federation Sport Commission - which is a testament to the high regard that he is held in, not only in New Zealand, but also internationally.

Wayne is only the third member of our club to have this honour bestowed on them and the first for nearly 40 years.

Northern Region Life Membership

Congratulations to our Chairman John Chapman (Botch) on being awarded Life Membership of Surf Lifesaving Northern Region. He is the sixth Orewa member to receive this honour.

A second generation member, Botch rose through the ranks as a Junior Lifeguard into senior ranks (and then masters) and has given over 40 years' service to surf lifesaving. He has been a stalwart of our club for many years.

As well as being a major contributor to our club, he sits on committees at Northern Region and is a senior surf official at Northern Region and New Zealand levels.

Interestingly, Northern Region have four father and son Life Member combos – three of those are Orewa members. Alan and Wayne Franich, Mark and Bert (from Piha) McCarthy and now Botch and his father – John Senior.

Honours & Awards

Orewa SLSC Awards 2016

Service Award - Steve Franich
Distinguished Service Award -Mark Johnston

Surf Life Saving Northern Region Awards 2016

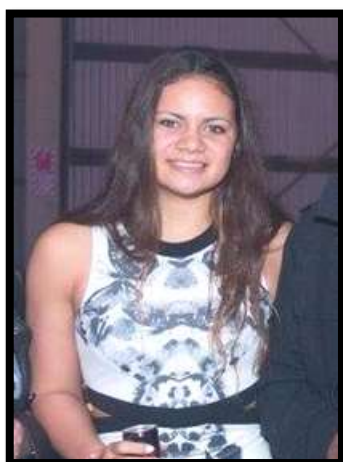

Service Award - Shane Burke - Warwick Sisson
Distinguished Service - Dave Shanks - Tom Burgess
